

Modifying BPMN Matrices

To change a row or column scope, do one of the following

- In the Model Browser, select one or more elements you wish to see on your matrix and drag them to the **Row Scope/Column Scope** box in the **Criteria** area.
- Click the ... button next to the **Row Scope/Column Scope** box and in the opened dialog select what elements you wish to see on your matrix. Click **OK**.

To change resource assignment to an Activity for BPMN Resources Usage Matrix, do one of the following

- Double-click the cell to create/remove a relationship between Activity and resource.
- Right-click the cell and from the shortcut menu select **Resource**.

To save a BPMN Matrices as *.csv

- On the BPMN Matrix toolbar, click the **Export** button to save your matrix as a Comma Separated Values (.csv) file. The file can be opened with MS Excel.
