

# Getting started with modeling tools

Once you installed the modeling tool, you can start using it. Here you can find a few general procedures to get you started:

- [Understanding the user interface](#)
- [Creating a new project](#)
- [Creating diagrams](#)

## User guides of the No Magic products:

### CATIA Magic Documentation

#### Modeling tools

- [Magic Software Architect](#)
- [Magic Cyber Systems Engineer](#)
- [Magic Systems of Systems Architect](#)

#### Collaboration

- [Magic Collaboration Studio](#)

#### Simulation and more

- [Magic Model Analyst](#)
- [Magic Alf Analyst](#)
- [Magic Teamcenter Connector](#)
- [Magic Real-Time Communication Designer](#)
