## Managing server projects

You can manage your server projects, as well as locally saved server projects (known as offline server projects), in the Manage Projects dialog.

Currently open project is automatically selected in the Manage Projects dialog, making it easier to find it in the project list.

## To open the Manage Projects dialog

- 1. Log on to the Teamwork Cloud server.
- 2. On the main menu, click Collaborate > Projects.

🔀 Manage Projects			>
Manage Teamwork Cloud projects Manage online and offline server projects. For online projects, you can add a new or open, rename, or remove a selected project. For offline projects, you can open or remove a selected server projects. Note that online server projects are removed from a server, while offline server projects are removed only from your machine.
