

Where to find Cameo Collaborator log files

Go to the `<WebAppPlatform_installation_directory>/logs/webappplatform` directory and obtain the `web-app.log` and/or `collaborator.log` files.

Default path to log files

The default paths to Cameo Collaborator log files are:

- For Linux: `/opt/local/TeamworkCloud/WebAppPlatform/logs/webappplatform`
- For Windows: `C:\Program Files\TeamworkCloud\WebAppPlatform\logs\webappplatform`
