

Editing property values

You can edit property values in:

- [Specification window](#)
- [Tables](#)
- **Element** tab on the [Properties tab](#) in the Model Browser

Property values in gray are non-editable. They are derived from other elements used in your model.

Learn about editing values of different property types in:

- [Editing textual properties](#)
- [Editing logical values](#)
- [Selecting values](#)
- [Cases of advanced editing](#)
