UAF projects migration manual

This manual aims to help you understand the differences between UAF specifications and guide you along the data mapping process.

The following chapters describe how migration works.

- Migration from UAF 1.1 to UAF 1.2
- Migration from UAF 1.0 to UAF 1.2
- Migration from UAF 1.0 to UAF 1.1
- Migration from UPDM 3 (UAF 1.0 beta) to UAF 1.1
- Changes in DoDAF Class Library for UAF 1.2
