Adding Capabilities in Cr diagram

To add a new Capability

- 1. On the Cr diagram toolbar, click Add New > Capability.
- 2. Select the Capability owner in the **Select Owner** dialog.
 - An empty line for the newly created capability appears on the diagram pane.
- To add a new Capability Provision
 - 1. Select the Capability for which you want to create a Capability Provision.
 - 2. Do one of the following:
 - On the Dr diagram toolbar, click Add New > Capability Provision.
 - From the shortcut menu of the selected Capability, choose Add New Capability Provision.
 - 3. Follow the steps of the Capability Provision Creation Wizard.
 - 4. Click Finish when you are done.

To add an existing Capability

- 1. On the Cr diagram toolbar, click Add Existing > Capability.
- 2. In the Select Capability dialog, select a Capability and click the + button.
- 3. Click **OK** when you are done.
