

# Creating SV-7 Actual table

Before creating SV-7 Actual table, [SV-7 Typical table](#) must be created.

To create SV-7 Actual table, do either

---

- Add a new measurable Resource by clicking the **Add New** button and select one or more Resources that have at least one Measure Type, defined (see [SV-7 Typical](#)). Specify the values of each Actual Measurement in the table cells.
- Add the existing Measures or measurable Resources by clicking the **Add Existing** button and select the existing Measures or Resources.
- Add the missing Actual Measurements by clicking the **Add Missing Measure Types** button to update model changes to the table.
