

# Managing SvcV-3a matrix

To add new Resource Interaction

---

1. Right-click the cell and select **Add New Resource Interaction**.
2. Follow the steps of the [Realized Resource Interaction wizard](#).
3. Click **Finish** when you are done.  
A new Resource Interaction appears in the selected cell.

To remove an existing Resource Interaction

---

1. Right-click the filled cell.
2. Under the Delete section, choose the Resource Interaction you want to remove from the model.
