

Generating DARS report in AV-1

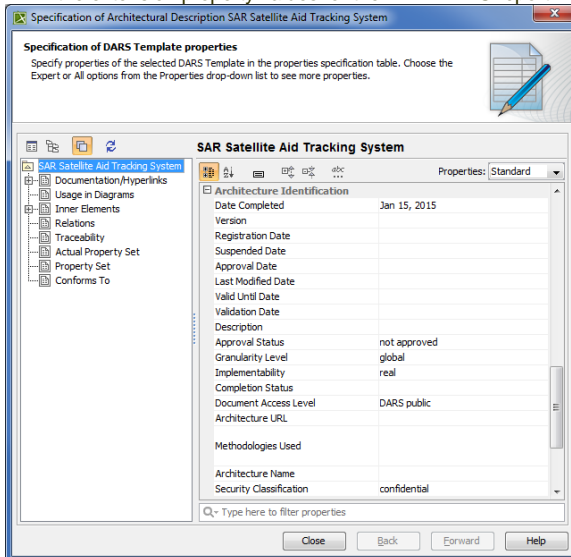

Before generating an AV-1 DARS report, you must load the DARS template in AV-1 diagram and provide the template with relevant data.

To load the DARS template in AV-1

1. Select the Architecture Description from the Containment tree and open its Specification window.
2. Click the **Load DARS Template** button to load DARS template.

3. Fill in the extension property values for the AV-1 DARS report.

To generate DARS report use standard [Generating document based reports](#) procedure.
