Introduction

You can add new or manage existing hyperlinks in the **Edit Hyperlink** dialog, consisting of:

- Three main tabs containing all modeling tools: **Address** tab, **File** tab, and **Element/Symbol** tab.
- Five tabs required to install the [Methodology Wizard Plugin](#): **Report** tab, **Validation** tab, **Model Wizard** tab, **Model Transformation** tab, **Visualize Wizard** tab.
- One tab required to install the [Cameo DataHub Plugin](#): **OSLC Link** tab.

The following figure illustrates the tabs.

All available tabs in the Edit Hyperlink dialog.

Hyperlink types

The following table provides details of available hyperlink types.

Tab in the Edit Hyperlink dialog	Hyperlink type	Required plugins	Tab descriptions
