

Replying to graphical comments

You can reply to a graphical comment, if you have the [permission](#) to reply to comments.

To reply to a graphical comment

1. In the [Comments pane](#) or in the content pane, select the comment you want to reply to. If the **Comments** pane is hidden, click  on the title bar of a published project (the number on the button shows the number of comment threads in a project).
2. Move the mouse pointer to the lower right corner of the comment in the **Comments** pane and click the **Reply** button.

3. Enter a reply.
4. Click **Save**.

- You may be asked to log on to Cameo Collaborator. This happens, when you work on a publicly shared project (as a Guest user) and try to perform any action with comments for the first time. If you have an account on Cameo Collaborator, log on, unless you want to
