Creating Operational Exchanges in OV-6c diagram

To create an Operational Exchange in the OV-6c diagram

- 1. Open the Realized Operational Exchange wizard by doing one of the following:
 - On the diagram pane, select the Operational Message between a pair of two Lifelines of Operational Roles and on the smart manipulator

toolbar, click Operational Exchange

- 3. Click Next to specify Producing and Consuming Activities.
- 4. Click Finish when you are done.

You can use Operational Exchange Manager dialog that enables to analyze and manage the Operational Exchanges data.
