

Modifying Dr table

To add/remove Capabilities in/from Dr table

1. Click the **Add/ Remove Columns** button.
2. In the **Select Capability** dialog, choose Capabilities to add or to remove them from the table.
3. Click **OK** when you are done.

- The Capabilities are removed only from the table but not from the model.
- An Exhibits relationship between the context element and Capability is added/removed from the model.

To remove Resources from Dr table

1. Click the cell you want to edit.
2. Select a Resource you want to remove and click the - button.
