Creating Lr Lines of Development. Lr Gantt chart

When you choose to create Lr Gantt chart, the **Lr Lines of Development Creation Wizard** opens.

To create an Lr Gantt chart from the wizard

---

1. Right-click the Lr Package and select **Create Diagram** > **Lr Lines of Development**.
2. Follow the steps of the **Lr Lines of Development Creation Wizard**.
3. Click **Finish** when you are done.

> If you do not wish to use the **Lr Lines of Development Creation Wizard** next time, clear the **Show the wizard next time, when I create Lr Lines of Development** check box.

To create an Lr diagram manually when **Lr Lines of Development Creation Wizard** is disabled

---

1. Right-click the Lr Package and select **Create Diagram** > **Lr Lines of Development**.
2. Type the diagram name.
3. Press **Enter**.
   The blank Lr Lines of Development chart is created.

> To restore the usage of the **Lr Lines of Development Creation Wizard**
>
> ---
>
