Modifying CV-5 table

To add/ remove Capabilities in/from a CV-5 table

1. In the table toolbar, click the **Add/ Remove Columns** button.
2. In the **Select Capability** dialog, choose Capabilities to add or remove them from a table.
3. Click **OK** when you are done.

> ⓘ
> - Capabilities are removed only from the table. They are not removed from the model.
>
> - A Capability of Performer relationship between the context element and a removed Capability is removed from the model.

To add/ remove Resources in/from a CV-5 table relationship between the context element and an added Capability is added in the model.

1. Click the cell you want to edit.
2. The **+** and **-** buttons appears at the right of the cell.

3. Do one of the following:
   - To add a Resource, select a Resource and click the **+** button . The **Deployment Milestones** wizard opens.
   - To remove a Resource, select a Resource and click the **-** button.
