

# Adding Capabilities in Cr diagram

To add a new Capability

---

1. On the Cr diagram toolbar, click **Add New > Capability**.
2. Select the Capability owner in the **Select Owner** dialog.  
An empty line for the newly created capability appears on the diagram pane.

To add a new Capability Provision

---

1. Select the Capability for which you want to create a Capability Provision.
2. Do one of the following:
  - On the Dr diagram toolbar, click **Add New > Capability Provision**.
  - From the shortcut menu of the selected Capability, choose **Add New Capability Provision**.
3. Follow the steps of the **Capability Provision Creation Wizard**.
4. Click **Finish** when you are done.

To add an existing Capability

---

1. On the Cr diagram toolbar, click **Add Existing > Capability**.
2. In the **Select Capability** dialog, select a Capability and click the **+** button.
3. Click **OK** when you are done.
