User Guide

Welcome! This user guide will walk you through the basics of using MagicDraw, including working with projects, setting up the modeling environment, collaborating with the help of Teamwork Cloud, generating reports, and more.

To meet the customer needs, special editions of the modeling tool are developed:

- MagicDraw editions. Click the **Editions** tab on the page.
- Cameo Systems Modeler. Click the **Editions** tab on the page.
- Cameo Enterprise Architecture. Click the **Editions** tab on the page.

Use the search box to find a specific topic or select one from the list below:

- MagicDraw getting started
- Working with projects
- Diagrams
- Diagramming
- UML elements
- Auxiliary diagram symbols
- Working with model elements
- Tools
- Model analysis
- Collaborative modeling
- Report Wizard
