

Removing roles and assignments

To remove a role

1. On the **Users application**, click the username you want to assign a role to. The **User** pane will open.
2. Go to the **Roles** card, and click **Change** button. The **Change roles** pane opens.
3. For a predefined role: click the **Save** button to save the changes.

To remove an assignment

1. On the **Users application**, click the username you want to assign a role to. The **User** pane will open.
2. Go to the **Roles** card, and click **Change** button. The **Change roles** pane opens.
3. For a predefined role: click the **Save** button to save the changes.
