

# Edit Hyperlink dialog

## On this page

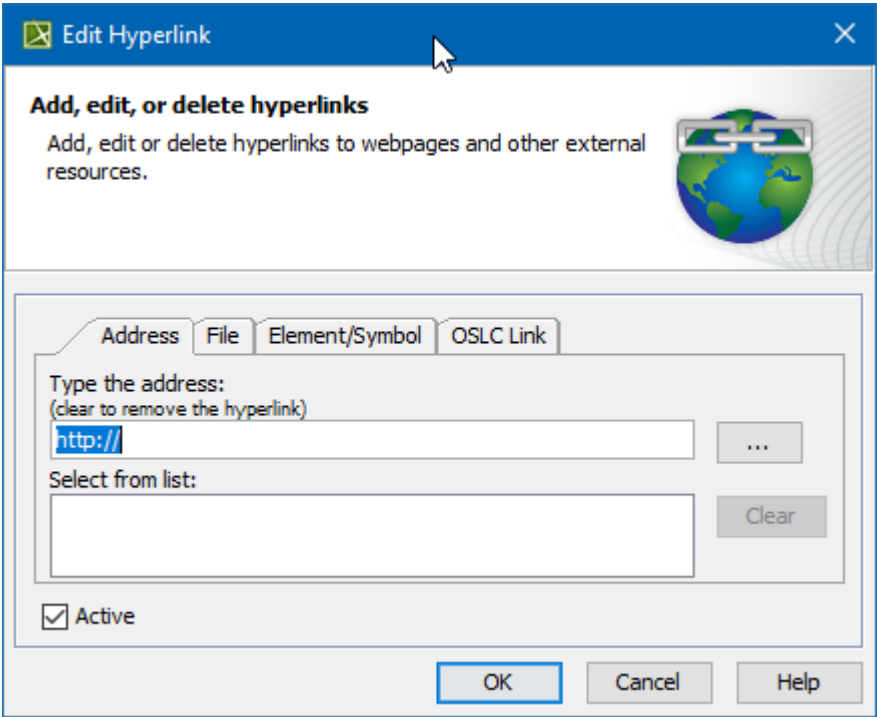

- [Introduction](#)
- [Hyperlink types](#)
- [Opening the Edit Hyperlink dialog](#)

## Introduction

You can add new or manage existing hyperlinks in the **Edit Hyperlink** dialog, consisting of:

- Three main tabs containing all modeling tools: **Address** tab, **File** tab, and **Element/Symbol** tab.
- One tab required to install the [Cameo DataHub Plugin](#): **OSLC Link** tab.

The following figure illustrates the tabs.

All available tabs in the Edit Hyperlink dialog.

## Hyperlink types

The following table provides details of available hyperlink types.
