## **Manage favorites**

The Manage Favorites dialog allows for

- Adding to favorites
- Removing from favorites
- Changing the order of favorites

## To open the Manage Favorites dialog

• In the Model Browser, click the Mutton, which is on the toolbar of the open tab, and then select Manage Favorites.

The Manage Favorites dialog is a modification of the element Selection dialog. The dialog displays

- All elements (in tree or list view on the left side of the dialog)
- Favorite elements (in the list on the right side of the dialog)
- Buttons for adding and removing from favorites
- Search modes and scope filters area
- Buttons for reordering favorites

Add, remove, or change order of your favorites         Search for elements and add them to your favorites by clicking the "+" button. Change order of your favorites by selecting them and clicking the "Up" and "Down" buttons.         Search for:       Type and Package       Property       Any Element         Image: Comparison of the second o	🔀 Manage Favorites	×

The order of favorites in the list of the **Manage Favorites** dialog meets the order of favorites on the Favorites menu. Thus if you need to change the order of favorites on this menu, make appropriate order changes in the list of favorites on the **Manage Favorites** dialog. Buttons below the list will help you to change the order of favorites.
