

# Removing roles and assignments

To remove a role

---

1. On the **Users application**, click a username to whom you want to assign a role. The **User** pane will open.
2. Go to the **Roles** card, and click **Change** button. The **Change roles** pane opens.
3. For predefined role: click the **Save** button, to save the changes.

To remove an assignment

---

1. On the **Users application**, click a username to whom you want to assign a role. The **User** pane will open.
2. Go to the **Roles** card, and click **Change** button. The **Change roles** pane opens.
3. For predefined role: click the **Save** button, to save the changes.
