

Deleting comments

You can delete the comments that are no longer needed, but keep in mind that this action is irreversible.

To delete a comment

1. On the [comments pane](#), find the comment you want to delete.

2. Click  Unknown Attachment on the right side of the comment to show available actions.

3. Click  Unknown Attachment on the bottom of the comment and select **Delete**.

Useful to know

- Deleting a comment also deletes all of its replies.

- You can delete individual comment replies the same way you delete comments.
