3DEXPERIENCE ID creation workflow

- 3. Validation test
- Contact Support

You will need a 3DEXPERIENCE ID to access private content and services on the Dassault Systèmes Support site. If you have previously logged in to Dassault Systèmes' support site tools, you probably have a 3DEXPERIENCE ID. If you are not sure, you can check the Assistance with your 3DExperience ID creation section.

If you do not have a 3DEXPERIENCE ID, follow the 3DEXPERIENCE ID creation workflow below.

- 1. Log to www.3ds.com
- 2. Click on the top right Login icon
- 3. Click on "Create your 3DEXPERIENCE ID"
- 4. Enter your corporate email

If you have received the email communication titled No Magic Customer Support transition - preparation on March 26, 2021, ⁄!∖ please enter the email address given to you in that communication email.

- 5. Fulfill all remaining information as per your wishes
- 6. Click "Register"

When you register for a 3DEXPERIENCE account, an automated email will be sent to you. The email contains a link that will verify \odot your email.

Note: check your junk/spam folder for the email if it does not appear in your inbox

You may have to request IT to add mail id <3dexperience@3ds.com> to the white list.

7. Verify your email.

You will receive an "Email address verified" notice. You are now ready to connect with your 3DEXPERIENCE ID.

2. Logging in difficulties

If you are encountering difficulties logging in, please try again using a Private (Firefox) / InPrivate (Edge) / Incognito (Chrome) window. If this log in is successful, please clear your browser cache and cookies, open a new browser window and retry.

Be sure you verified the email address first by replying to that email form.

3. Validation test

English

To test your 3DExperience ID go to the Dassault Systèmes website

Click on the Log on icon and enter your 3DEXPERIENCE ID, as shown below:
