

Activate license

For the seat and mobile type licenses, the license activation is required after completing the purchase transaction. The activation process allows receiving the license dedicated to a particular computer. Only [activation at nomagic.com](https://nomagic.com) is available.

The workflow of license activation at nomagic.com

1. [Determine the Host ID of the machine.](#)
2. [Activating a license at nomagic.com.](#)
3. [Adding the license key.](#)
