

Missing Diagram Banner

Abbreviation

ODB[2]

Description

The validation rule checks if the diagram contains elements with added Data Markings while the Diagram Banner is not created/displayed.

Severity

warning

Constrained Element

Diagram

Solvers

- Update **[shouldn't it be Create?]** - the Diagram Banner is updated/created.

Example

ADD IMG

The Diagram Banner does not exist in the diagram even though there are element symbols with added Data Markings in the diagram.
The error is resolved by updating/creating the Diagram Banner via Update/Create solver.
