Removing roles and assignments

To remove a role

- 1. On the **Users application**, click the username you want to assign a role to. The **User** pane will open.
- Go to the Roles card, and click Change button. The Change roles pane opens.
 For a predefined role: click the Save button to save the changes.

To remove an assignment

- On the **Users application**, click the username you want to assign a role to. The **User** pane will open.
 Go to the **Roles** card, and click **Change** button. The **Change roles** pane opens.
- 3. For a predefined role: click the **Save** button to save the changes.
